ManoMano  
Paris, Île-de-France

Dear Hiring Team,

I am writing to express my interest in the Data Analyst position at ManoMano. With a background in engineering and hands-on experience in data analytics, I am excited by the opportunity to contribute to your Commerce & Operations team and support strategic decision-making through data.

In my current role, I focus on building automated reports, analyzing key performance indicators, and generating insights using SQL, Python, and Power BI. I have worked closely with business and technical teams, allowing me to align data work with company goals. I'm also experienced in cleaning and structuring large datasets, and presenting findings in a clear and actionable format.

I am particularly drawn to ManoMano's mission of transforming the home improvement sector through digital innovation. I'm confident that my analytical mindset, technical skills, and collaborative approach would be valuable in supporting your customer experience and offer development goals.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the team.

Best regards,
